APE held its General Assembly and Working Groups meetings on the 22-23 May in Bari, hosted by Acquedotto Pugliese at its prestigious premises.

The assembly was an opportunity to take stock of a fruitful year for the Association, and to define future roadmaps. The debate also significantly benefited from distinguished speakers from [GWOPA/UN-Habitat, UNDP, ART/GWS](#) and [EIP Task Force](#), who framed APE's action within a broader international perspective.

The assembly was also the occasion to welcome a significant number of new members.
