OECD Water Governance Initiative

The [OECD Water Governance Initiative](#) is a network of OECD and non-OECD public, private and not-for-profit actors. Members of this initiative gather twice a year in a Policy Forum with the aim of supporting better governance in the water sector through experience-sharing, analytical work and peer-to-peer dialogue.

UN-Habitat Global Water Operators Alliance

The [Global Water Operator's Partnerships Alliance \(GWOPA\)](#) is a network of partners committed to helping water operators improve their collective capacity to provide access to water and sanitation services for all.

APE became a member of the steering committee of GWOPA in November 2013.

European Innovation Partnership on Water - EIP Water

<dl class='spip_document_1046 spip_documents spip_documents_right' style='float:right;'>

The [European Innovation Partnership on Water - EIP Water in short](#) is an initiative within the EU 2020 Innovation Union which aims at facilitating the development of innovative solutions to address major European and global water challenges and supporting the creation of market opportunities for these innovations, both inside and outside of Europe.

APE is part of the EIP Water Steering Group.
