*Only publicly owned water operators can become members of the Association. "Water operator" refers to legal entities that hold water-related assets and/or manage the production, distribution or treatment of water, as well as their national and regional associations.*

If you are interested in joining APE, please fill in the membership request form and send to the Secretariat [info@aquapublica.eu](mailto:info@aquapublica.eu), who will be in touch with you.

If you are a **Water utility**, please [click here](#) to download your request form.

If you are an **Association**, please [click here](#) to download your request form.

Please note that:

- APE's Management Board is responsible for taking the final decision on new membership requests.
- Becoming a member of APE involves subscribing to the Association's [Founding Charter](#) and the payment of an annual membership fee based on the annual turnover and the number of service users of the water operator.
