WG 5: International Cooperation

- Activities - Working Groups - International Cooperation -

Date de mise en ligne : Thursday 6 February 2014

Aqua Publica Europea

Leader: Fabio Ferrari, CAP Holding Group

General Objectives

The WG aims to share best practices among members who have developed a significant experience in internal cooperation in order to improve the quality of interventions and support actions in less developed countries.

The WG thus intends to give a concrete contribution to the achievement of the 7th MDG.

Ongoing activities

The WG collaborates with GWOPA, the platform launched by the UN-HABITAT programme to promote water operators partnerships.

The WG is also cooperates with some Members of the European Parliament and other institution to support the development and extension of decentralized support mechanisms at European level.

Work Programme

An internal mapping is being carried out to identify all different cooperation programmes and networks in which APE members are involved. The objective is to develop synergies and avoid duplications.
